For Immediate Release:

BHC RHODES' Hires Alan Michels, P.E. for Development Services Team

Mr. Alan Michels, P.E. joined BHC RHODES Development Services team with sixteen years of experience in civil engineering, construction management, and business management. "Alan comes to us with great experience, credibility and enthusiasm. His commitment to customer care and work style are a great fit for our company," said BHC RHODES President, Kevin Honomichl.

With a broad scope of expertise his experience includes site planning and design, waterline and sanitary sewer design, transportation design and subdivision development. Mr. Michels will serve as a project manager on the BHC RHODES' team and will have an immediate focus on finalization of design plans for customers in Olathe, KS and Blue Springs, MO.

Mr. Michels' is a licensed engineer in Missouri and Kansas. His career portfolio includes familiar names such as CVS Pharmacy and Texas Roadhouse. Mr. Michels graduated from the University of Kansas and is a member of the American Society of Civil Engineers.

BHC RHODES, civil engineering and surveying firm was founded in 1992 and is based in Overland Park, KS. Their progressive work environment and "no problem" service culture is the foundation for their success. BHC RHODES growth has been recognized by Ingram's magazine, The Kansas City Business Journal, Commercial Journal magazine, MSNBC's "Pick of the Week" and Kansas City's NBC News "Business In Action." BHC RHODES has also been awarded Best Places to Work both locally and nationally. For more information visit their web site at ibhc.com.
