## **BHC RHODES ACQUIRES ASSETS OF CAMPBELL BARBER LAMBETH & ASSOCIATES**

BHC RHODES civil engineering and surveying firm acquired assets from Merriam, Kansas based firm Campbell, Barber, Lambeth & Associates, P. A., following the firm's closure. Assets include current records for on-going civil engineering projects and historical surveying records. The acquisition places BHC RHODES in a top three spot of Kansas City Metro firms - based on ownership of land information data.

Records acquired include fifty years of engineering design and land surveying data for Johnson and Wyandotte Counties in Kansas as well as Clay, Platte and Jackson Counties in Missouri. BHC RHODES will expand their records library in their Kansas City, Kansas office to accommodate the addition.

Mr. Jim Lambeth, one of founders of Campbell, Barber, Lambeth & Associates, P. A., joined BHC RHODES' development services team to continue serving their current customer base. Lambeth brings fifty years of highly regarded experience and knowledge to BHC RHODES' professional team. Past clients include McDonalds Corporation, Shawnee Mission Medical Center, Deffenbaugh Industries and Americold Mines, along with many of the top residential developers in the metro.

BHC RHODES, civil engineering and surveying firm was founded in 1992 and is based in Overland Park, KS. Their progressive work environment and "no problem" service culture is the foundation for their success. BHC RHODES growth has been recognized by Ingram's magazine, The Kansas City Business Journal, Commercial Journal magazine, MSNBC's "Pick of the Week" and Kansas City's NBC News "Business In Action." BHC RHODES has also been awarded Best Places to Work both locally and nationally. For more information visit their web site at [ibhc.com](http://ibhc.com).
