BHC RHODES is currently providing construction inspection services for the City for the construction of Phase 2 of improvements to 87th Street between Denver and Hillcrest, including improvements at the I-435 interchange in accordance with MoDOT requirements. BHC RHODES, along with DuBois Consultants, are responsible for daily construction observation, conformance of construction to the project manual, documentation of pay quantities and verification of wage rates. Construction is expected to be completed at the end of 2010.
