<b>Contact Name:</b>	Corky Jackson
<b>Phone Number:</b>	(913) 367-6615

Atchison Hospital is a new 81,000 square foot facility that replaces the current hospital. The new facility will include updated medical equipment and new office space for medical professionals. This is one of many hospitals sites that BHC RHODES has designed for ACI Boland Architects, Inc. Services provided included water and sanitary system analysis, storm sewer and detention design, grading and erosion control plans, and utility service connection plans.
