Dodge City Pedestrian Bike Trail

Project Location:	Dodge City, Kansas
Scope:	Engineering Services, Surveying
Self-Performed Work:	Surveying, Civil Engineering, Traffic Signal Modifications
Construction Cost:	\$350,000 (estimated)
Project Start Date:	June 2009
BHC RHODES Client:	City of Dodge City, KS
Contact Name:	Paul Lewis
Phone Number:	(620) 225-8160
Project Owner:	City of Dodge City, KS
Contact Name:	Paul Lewis
Phone Number:	(620) 225-8160

Dodge City was selected by the Kansas Department of Transportation to receive transportation enhancement funds for the construction of approximately 3,300 linear feet of new multi-use trail. The trail will be located along Hwy 50 to connect two segments of trail constructed in previous projects as well as to connect to the local community college and a neighborhood park. The 10-foot wide concrete trail will also include landscaping, benches, and other amenities to serve pedestrians and cyclists as a critical link within the City's overall trail plan.
