Phone Number:	(916) 941-8591
Project Owner:	AT&T
Contact Name:	Kevin Lorenzini
Phone Number:	(916) 941-8591

BHC RHODES construction administration services on approximately 50 miles of overland fiber optic cable facility construction. We fielded a staff of ten inspectors who ensured adherence to specifications and drawings, worked out necessary field changes, provided interface between the contractor and the permit agencies and coordinated with landowners. Daily duties included keeping accurate logs, installation quantities and as-built drawings.
