Phone Number:	(819) 221-0017
Project Owner:	The Hope Center
Contact Name:	Chris Jehle
Phone Number:	(816) 931-6290

The Hope Center is an Urban Youth Ministry Outreach Non-Profit Community Center. The Center has turned many urban youth into world-class Christian leaders. They provide youth programs for over 100 youth and promote safe and healthy neighborhoods for the urban communities. BHC RHODES volunteered its services in conjunction with other industry professionals to provide design plans for new construction and renovations for the Center's location. Design plans included demolition of the existing site surface, grading, erosion control, utility, and fencing. BHC RHODES presented their 2005 Community Leadership Award to Julie Wellner, AIA for her volunteer work on the Hope Center.
