

PROJECT TITLE:

## Lake City Ammunition Plant Site Location and Mapping

<b>Project Location:</b>	Independence, Missouri
<b>Scope:</b>	Surveying
<b>Self-Performed Work:</b>	Site Locations and Mapping
<b>Project Start Date:</b>	February 2006
<b>BHC RHODES Client:</b>	Arcadis
<b>Contact Name:</b>	Eric Putnam
<b>Phone Number:</b>	(510) 672-4960
<b>Project Owner:</b>	U.S. Army

The scope of this project included sampling for contaminants in soils and groundwater in areas in and around the Lake City Ammunition Plant, a United States Government facility. Our role was to provide locations of sample sites and borings for mapping.
