## Leavenworth 2009 Sidewalk Improvements

<b>Project Location:</b>	Leavenworth, Kansas
<b>Scope:</b>	Engineering Services, Surveying
<b>Self-Performed Work:</b>	Engineering Services, Surveying
<b>Construction Cost:</b>	\$500,000
<b>Project Start Date:</b>	2009
<b>BHC RHODES Client:</b>	City of Leavenworth, KS
<b>Contact Name:</b>	Mike McDonald, P.E.
<b>Phone Number:</b>	(913) 684-0375
<b>Project Owner:</b>	City of Leavenworth, KS
<b>Contact Name:</b>	Mike McDonald, P.E.
<b>Phone Number:</b>	(913) 684-0375

BHC RHODES was selected to prepare plans and specifications for construction of new sidewalk to enhance pedestrian connections in established neighborhoods, and to provide safer routes for children walking to schools throughout the city. Nearly two miles of concrete sidewalk and asphalt walking trails will be constructed while dealing with steep slopes in front yards, driveways, existing landscaping, drainage structures, and public utility structures. BHC RHODES was expected to follow an expedited schedule. Two years worth of sidewalk projects will be designed and constructed in a single year. This process included the survey of each roadway corridor, evaluation of alternate locations and setbacks from the street, and review by the City Commission prior to completion of final design.
