The Milburn Country Club was founded in 1917 and was ranked by Golf Digest as one of the Top Ten Golf Courses in Kansas in 2003-2004. The site renovations included a brand new clubhouse, golf cart barn, and parking lot reconstruction.

BHC RHODES provided preliminary and final site plans for the exclusive Club. The plans included storm sewer design, relocation and inspection of sanitary sewer main, grading and erosion control, cart barn, and the parking lot. This is one of multiple projects we have designed to assist Anderson MacAdam Architects, Inc.
