Phone Number:	(407) 425-2500
Project Owner:	US Army Corps of Engineers
Contact Name:	Tom Hollinberger
Phone Number:	(816) 389-3089

The Military Police Battalion Headquarters is located on Fort Riley military base in Fort Riley, Kansas. BHC RHODES provided civil site design services for this LEED Silver certifiable, design-build project. The design services included site grading, storm drainage design, utility connections, erosion control plan, SWPPP plan, specifications, shop drawings, and construction phase administration. This is one of multiple projects BHC RHODES has helped design to improve the facilities at Fort Riley.
