<b>Project Owner:</b>	Kansas Department of Transportation
<b>Contact Name:</b>	Scott McReynolds
<b>Phone Number:</b>	(785) 296-3531

BHC RHODES was selected by the City of Gardner to provide full-time construction inspection for this KDOT funded project. The project improved an existing stop-controlled T-intersection that has high volumes of commuter and heavy truck traffic by constructing a “Florida T” signalized intersection (the first of its kind in Kansas). New cement treated base, concrete pavement, medians, and signal equipment were installed and inspected by our certified personnel.
