The Unified Government of Wyandotte County and Kansas City, KS is gradually transitioning into a major shopping destination and tourist attraction in the Kansas City Metropolitan area. The Kansas Speedway, Village West, and Schlitterbahn Water Resort lead the way as the city continues to develop. BHC RHODES was selected in early 2006 to provide on-call engineering services for the Unified Government. Through this contract, BHC RHODES has provided surveying, traffic, civil engineering, and construction inspection services for the multi-phased Prescott Plaza redevelopment project. BHC RHODES has an office in the heart of downtown Kansas City, KS and an extensive collection of records and relationships to help facilitate and provide our broad range of services to the Unified Government.
