<b>Contact Name:</b>	Emil Konrath
<b>Phone Number:</b>	(816) 283-3860
<b>Project Owner:</b>	City of Shawnee, KS
<b>Contact Name:</b>	Bert Schnettgoecke, P.E.
<b>Phone Number:</b>	(913) 631-2500

Shawnee Town 1929 is a three acre expansion of the Historic Shawnee Town in Shawnee, Kansas. The project consists of the relocation and construction of eight historic structures that allow visitors to experience a typical day in the 1920's. Three of these buildings will be modernized and have water, sewer and electrical services. One of the buildings will have the roof downspouts connected to an underground cistern to utilize a rainwater harvesting system to augment water use around the farm. BHC RHODES teamed with The Konrath Group and Greer Architecture on the schematic design phase and construction documents for this design-build project to meet the needs of the City's Parks and Recreation Department and Museum.
