Project Start Date: April 2007

BHC RHODES Client: Walton Construction
Contact Name: Ali Karimi
Phone Number: 816-753-2121

Project Owner: US Army Corps of
Engineers Kansas City
District
Contact Name: Benjamin Davis
Phone Number: 816-389-3273

BHC RHODES partnered on this design-build project with Walton Construction and VOA architects. Our engineering design included site grading plans, KDHE permits, sanitary sewer and life station design as well as storm sewer and detention basin design, and coordination of site utilities. This barracks complex is administered by the US Army Corp of Engineers
